

Australian Institute of Physics of NSW – Events for 2009

DATE	EVENT	SPEAKER	TITLE of TALK
24 March	1st General Meeting Dr Robinson's talk will commence at 5:30PM Prof Lewis talk will commence at 7:00PM	Dr Rob Robinson ANSTO Professor Roger Lewis University of Wollongong	<i>First Scientific Results from OPAL, the new Australian Research Reactor</i> <i>Terahertz Science and Technology</i>
28 April	2nd General Meeting Dr Yabsley's talk will commence at 5:30PM Prof Wolfe's talk will commence at 7:00PM	Dr Bruce Yabsley University of Sydney Professor Joe Wolfe University of NSW	<i>How to get beyond the Standard Model</i> <i>The Acoustics of Musical Wind Instruments – and of Musicians</i>
26 May	3rd General Meeting	Professor Barry Allen St George Clinical School	<i>From Stellar Nucleosynthesis to Cancer Therapy; what is the link?</i>
23 June	4th General Meeting	Dr Bryan Gaensler University of Sydney	<i>The Magnetic Universe Revealed through Radio Polarimetry</i>
28 July	5th General Meeting	Dr Zdenka Kuncic University of Sydney	<i>Physics for Medicine and Astronomy</i>
18 August	6th General Meeting	Dr Tony Farmer CSIRO	<i>High-Power Ultrasonics and its Applications</i>
24 August	Einstein's Lecture at the Power House Museum	Dr Roger Rassool University of Melbourne	<i>Amazing Laser Light and Sound Show</i> <i>"Muppets Program"</i>
22 September	7th General Meeting	A/Professor Michael Box University of NSW	<i>Climate Forcing by Atmospheric Aerosols</i>
27 October	8th General Meeting	Professor Iver Cairns University of Sydney	<i>Space Science in Australia: The next 10 years</i>
24 November	Annual General Meeting Postgraduate Day Annual Dinner	Dr Marc Duldig Senior Principal Research Scientist, Australian Antarctic Division	<i>Particle Astronomy – the Second Window</i>

All meetings are held in the Slade Lecture Theatre, School of Physics, University of Sydney at **6:30 pm**. Refreshments are available from **6.00 pm**. Entrance to all events is free. For more information about the events please direct your enquiries to Dr Frederick Osman on fred_osman@exemail.com.au

Events sponsored by:

The Australian Institute of Physics – NSW Branch & The University of Sydney.
